Paragon Air Adventures LLC has you covered!
Southwest Montana's General Aviation Specialist.
"Where the big kids play..."

Aviation is our passion. Serving the needs of general aviation flyers is our primary mission. Whether you're just starting, recently relocated, visiting, returning to the skies after years away, or looking for training different and challenging, turn to Paragon. We want to be part of your aviation adventure.

Why Paragon? Professional teaching, customized training solutions, and impeccable customer service combine to provide you a unique experience with maximum value, entertainment, learning, and safety skills for your life-long investment.

Founder Thomas Nagorski draws on his 30+ years of flying experience and 5,000 hours of flight instruction to bring you "Level 4 Learning." Conquer all steps of learning, beyond "Rote" memorization, past Step 2 "Understanding," through Step 3 "Application." Paragon specializes in taking you to that fourth level of learning, "Correlation." It is the level of the skilled, safe, critically-thinking pilot who is truly in command of the aircraft while confidently operating throughout the entire U.S. airspace system.

Why Paragon? More than just instruction and rental, Paragon is the solutions provider for your general aviation problems. Your life is more than simply fun and recreation. Paragon can help with your business needs, too. Whether pilot services, research, consulting, aircraft purchase support, or complete business aircraft crewing and management, turn to us to harness the opportunity general aviation can offer your quality of life and bottom line.
